## MESSAGE

My warmest greetings to the **Bankers Institute of the Philippines, Inc. (BAIPHIL)** as it holds its **Induction Ceremonies**.

I highly commend the commitment of BAIPHIL to support the banking industry by advocating good governance and enhancing the sector's capability through continuing education, research and information exchange. I also laud its indispensable role in increasing the efficiency and uniformity in accounting, auditing and operational procedures among banks.

May this occasion inspire your new set of leaders to strengthen the reputation of your institute in the Asia-Pacific Region, which is known for its competence, integrity, teamwork and innovation. I trust that you will further develop the knowledge and expertise of our Filipino bankers by promoting active and dynamic collaboration among your members as you course through new frontiers of digital transformation and sustainability.

Rest assured that this administration is committed in implementing programs and policies that will enhance and empower your capacities as keepers and managers of financial resources. Let us continue working together to realize our nation's potential as we secure a sustainable and progressive future for all.

I wish you a successful and prosperous event.
